Self-guiding trail brochure available at trailhead.

- North Kaibab Trail**
Distances and hiking times vary; ask for a hiking brochure at the North Rim Visitor Center. This is the only maintained trail into the canyon from the North Rim. **Under no circumstances should you attempt to hike from the rim to the Colorado River and back in one day.** The opening of this trail may be delayed due to winter damage. Mules use this trail; step off the trail on the uphill side, keep still, and follow the wrangler's instructions.
- Point Imperial Trail**
5.4 miles (8.7 km) roundtrip; allow three hours. This easy trail begins at the Point Imperial parking lot, passes through areas burned by the 2000 Outlet Fire, and ends at the north park boundary. Provides access to the Nankoweap Trail and Kaibab National Forest roads.
